“ Dear MaryAnne,
We are so sorry for your loss. I am so glad I got to see you both at Margie's funeral. You have been such great friends to our families and I thank God for Tony and you! I take comfort in the fact that Jesus says to trust in Him and you will have eternal life. I hope we get to see you this summer in Iowa.
Love,
Mike and Lynne Paasch

“ MaryAnne, I have so many good memories working with Tony at Standard Forwarding. He would always make sure I had my Twinkies & Pepsi in the morning or check to see if I needed a ride to work It was such a blessing to have known him. May God bless you and your family today and always.

“ Marianne I just spoke with Tony in Melrose at the funeral of Harold Conway. We had a lovely visit I asked if you were there and he replied that you were under the weather. He said also that he talks to my son Sean at the track. He was kidding me about the numbers I always play 138 I said they're good Tony play them. I will keep you and your family in my prayers God bless you.

“ Mary Anne,

Sorry to hear about Tony. I first got to meet Tony in 1956 after my family moved to Des Moines. He had moved there earlier. We were very close and stayed that way through the years. Karen and I are in Quebec City, Canada and will not be able to attend the services, but we have been sharing our recollections of both you and Tony since the weekend. Our very best.

“ MaryAnne, i am so sorry for your loss. I remember Tony when I met Bernard Michael Murphy and his wife Barbara. It was before they were married and Barb and I were living on Rutland Avenue in Des Moines. We went to a New Years Eve Dance in Melrose and you and Tony were there. I know that he will be missed terribly by his family and all his friends. Is Bernard still living around Des Moines somewhere?

“ Mary Anne,
I was saddened to hear of Tony's passing. You and your family are certainly in my prayers. Im sure you have many precious memories that will help your family now and in the future.

I smile when I think of all the fun times we had teaching at Northwest Elementary so many years ago. I treasure those times and always will.

May God bless you and your family!

“ Tony had the biggest heart. He was so giving, helpful, and insightful. He (and others) welcomed me into the Dairy Queen world, and I always knew there was someone I could ask for help from in Tony. He will truly be missed.

“ Such sad, sad news. Tony was always "there" for the O'Donnell family. His folks and ours were best friends back in the day. So, we all were like family. He always had a smile ... maybe some advice ... and usually a good joke, too. We will miss him tremendously. Our prayers go out to the entire family. Tom & Lois O'Donnell

“ Tony made my world a better place. His love for life, kind, and willingness to help out were examples that were hard not to emulate. He always had the perfect story and remembered things so clearly. Thank you, Tony, for letting me part of your world. May the luck of the Irish continue with you in the afterlife and beyond.
