“ I was startled to learn of John's passing, from a colleague of his late father and me with the Iowa Department of Workforce Development. My son, Tim, was in John's class at IHS and spoke about him to me today. We both were pleased to have known John. My condolences to Marilyn.

“ Dearest Marilyn,

Pete & I are heartbroken to hear about John. I remember all the fun times we had in Sioux City with John and Marcy and our two oldest boys. Will always remember that bright and energetic little boy. You should be so proud of such a wonderful man and son.

You and Marcy are in our prayers and pray the Lord will comfort you.

Much love, Pete & Rainy

“ Marilyn,

We were shocked to learn of John's death. He was a very successful young man and highly regarded by many. I remember him as a great guy, an excellent student, and successful athlete. We will keep you in our prayers.

“ John was a year ahead of my in high school, but I knew him from track. Although I didn't know him well, he made a lasting impression on me. Despite his amazing academic and athletic abilities, he was one of the most modest, grounded, and kind people I can remember from school. He never treated anybody as less than. I'm very sad to hear of his passing, and pass along my prayers to his family.

“ Marilyn and Marcy, I had the honor of working with John over the past 11 years. In that time I was able to get to know him on a more personal level and we bonded over classic rock music and sports. It was always smiles with John. We would tease him about his eating habits and one time for his birthday we put a basket together of junk food complete with candy, a McDonald's gift card and bottles of Coke. He loved it. He was kind and thoughtful, we chatted about our families. I know he enjoyed when you were able to come visit. Probably one of the funniest stories is when he was already at the office and realized he had on one black shoe and one brown one. We laughed for days. I know he also enjoyed sports and we would always chat about the latest sports highlights and headlines. I was able to attend Dodgers Opening Day this year and thought of John and how much he loved baseball. I could go on and on. So many fond memories that I will treasure, he will be missed immensely. With heartfelt condolences, Jennifer Alvarado
