“ Todd was kind enough to let me live with him on 13th st. in WDM back in 1994 as I was still trying to find my way in life. (Still am LOL) What great times we had. Anyway, I came back to the apartment one afternoon and there was Todd and Sue sitting hand in hand on the couch together. Now I believe this was the first time I had met Susie but as much that I had heard Todd talk about her for three years it felt like I knew her well for just meeting her for the first time. I just remember how happy the two of them were, especially Todd, grinning from ear to ear. I knew at that moment that I had just lost a best friend to his best friend and that I would be looking for another place to live soon and I couldn't have been happier for the both of them. And so, I did move out soon after that and not even a year later they were married. Truly a love story if I'd ever heard one.

“ Todd, Tanner and to the family and extended family of Sue, I am so sorry for your loss. My heart is truly saddened. I remember meeting Sue in 1993 at church in the little town of Culpeper where my deceased husband was Pastor. She was here on vacation and knew him and his family. It was a true pleasure meeting her that day. She was also, one of the first people to send our first born son Pili baby gifts through the mail. I remember her excitement when she told us she was marrying her soulmate, Todd. She was filled with an abundance of joy when she became a mother to Tanner. God had truly blessed her with a loving husband and a beautiful baby. We so much enjoyed the pictures she sent. Sue was a truly genuine sweet friend with a beautiful heart. I am thankful for Facebook that allowed us to reconnect and keep our friendship blossoming. I thank God for allowing her to be in my life and having the opportunity to have been friends for so many years. My prayers, and condolences are being sent to Todd and Tanner as I ask God to give you comfort, time to heal, and peace throughout the years to comes. May HE wrap HIS loving arms around you two and hold you gently during this difficult time. I know the trumpets in heaven sounded with beautiful music as she entered the gates and her spirit connected with her family and friends up in heaven. She will continue to look down on the two of you with love from afar. \*Love, hugs and continued prayers for the two of you..... ~Mike and Leilani Corbin

“ Tanner, Todd & Family so sorry for your loss. Sue was a great friend and neighbor to me for many years, I will miss our visits and talks. Sue really had a kind heart and was always so giving and willing to help others when they needed it. I'm very saddened by the news and will miss her. She also had a great talent and skill for knitting & enjoyed doing this activity and would create scarves, blankets and other items for others and I still have today and use the blanket she knitted for me for a wedding gift back in 2009 and most recently Sue created a beautiful blue blanket for me for my Birthday and was just amazed at its beauty and all of the difficult needle work,& time that went into creating it with all of the different designs and stitching's she used. its something you definitely can not buy in a store and will cherish. I would have to say that Sue and Tanner were pretty much inseparable. I got to see them many times together through the years Sue would drive by the house with Tanner

in the car on the way to Taekwondo class and stop and visit on the way there or back and she & Todd both got to see Tanner complete his classes all they way up to getting his Black belt and then went on to teach classes himself. Quite an accomplishment. .Sue was really proud of you Tanner. My heart & prayers go out to you all.
