“ I'll always miss him, it still makes me cry a lot thinking of him, I'm his oldest son, and hope he's doing his best wherever he may be now, I'm not a religious person, so it's hard to just say "he's in heaven now" but...I want to believe he's somewhere he can be happy. We got his urn recently, and I'm happy to see him in there instead of the box he came in...rest in peace dad.
