

Cindy Ann Mullin

October 23, 1950 - May 26, 2022

On October 23, 1950 a red haired, blue eyed baby was born who would, in time, become a dynamo and a force to be reckoned with. Cynthia (Cindy) Ann Mullin was born in Mason City, Iowa to Louis and Mary Mullin. After completing high school Cindy continued her education graduating from cosmetology school in 1970.

Cindy enjoyed success over the years as the owner of CJ Hair in Ankeny. Being an active, compassionate listener she relished hearing about people's daily lives and joys while offering unconditional support during times of tribulation.

She loved Milk Duds, country music, shopping, cinema, spending time with her granddaughters, playing cards with friends, and making a beautiful home.

Cindy is survived by her son Ryan (Lauren) Long of Chicago and daughter Jill (Scot) Cook of Van Meter, granddaughters Sophie and Stella Cook, sisters Mary Vonne Mullin, Dee (Vern) Lauffer and brother Jack (Adele) Mullin.

A celebration of life gathering will be held June 8, 2022 from 4pm-6pm at Our Lady's Immaculate Heart Church in Ankeny.

“ *Cindy had a laugh I will never forget, it was contagious. She always had a big hug for anyone that wanted one when they came in to her shop. She was so funny and so accepting of everyone, she loved life and everything that God put forth to her. Those grandchildren were always bragged about and many photos! I moved from Ankeny 4 years ago but each time I returned I would stop to see her. I will be home this July and now my plans to see her will not be fulfilled, I will miss that beautiful smile, the laugh and the huge genuine embrace. Cindy was a jewel, one of a kind gal. I shall always miss her and keep her family in my prayers as she was taken way to early. I loved her. Glenda Brady*

“ *Jill and Ryan, we lost a great, loving mom and Nano! We lost a super amazing sister and friend. I feel so fortunate to have such great memories of Cindy! We made plans to celebrate each other's birthday every year since 1984! We could talk nonstop and forget there were others around. We cheered at each other's successes and consoled when times were hard. She was direct, fun, daring, supportive, loving; a role model for all of us. Let's stay in touch ❤️*
