“ *My life was shaped by the influence of a Lay Witness Mission in Mar of 1972 when Charles and Charlie came to New London. A dozen or so years later I met Charlie when I was a Hoover rep out of Davenport (1984-1992). After responding to a call to lead worship, I accepted a part time appointment in SE Iowa, and began attending annual conferences (1997) where I met Charles again.*

In death, your parents are reunited in Christ and in the presence of the great and loving creator God.
