“ I sit here amazed at all the outpourings from all of Dave's friends. He was so loved by so many and it shows through all the comments made here and on Facebook. Ordinary people just don't end up with as many dear friends that Dave did. It's because he was truly an extraordinary man. I don't think there was ever a time that I saw him without that great big grin beaming. That grin represented what Dave was on the inside too. He had such a kind heart and a real love of life and most of all for his family, He will be fondly remembered by everyone he touched, and greatly missed. Thank you for the bright spot you put in our lives Dave.
