

David Benjamin Stein

October 5, 1996 - August 23, 2016

David Benjamin Stein was born October 5, 1996 in Key West, Florida. He was proud of being a natural born Conch from the Conch Republic. He left us too soon on August 23, 2016 and will leave a hole in the heart of many people.

He adored his friends and family and would always take care of others first. He attended Middleton High School in Middleton, Wisconsin and was loved by his teachers. He was pursuing his life goal in the pre-architecture program at Iowa State University. We have not determined if there will be a service.

Michael and Patty Stein, Ann Stein and Al Wearing, Sarah Stein, and Katie Stein hope that in lieu of flowers that you will send contributions via them to establish a trust in his name at the Iowa State Department of Architecture.

Thank you to all those who have told us of their love for David.

“ *Katie and Ann, We are so sorry. Madi sends her condolences from Army National Guard training. Remembering a class or two with David at Middleton High School, Madi said David was always kind and funny. While I never met David, I recall you talking about him when we worked the scoring table at dive meets circa 2012. Sending you hopeful thoughts... Liz Christians and Madeleine Smith*

“ Dear Ann and family,
It is with a great sadness that I offer you my sympathy.
Thank you for sharing family stories and experiences with me.
It is an honor to share in David's energy and joy via his nerf
collection which continues to inspire entertaining skirmishes and lots
of raucous laughter among my boys and their friends.
I hope your treasured memories of David will heal your hearts.
With love,

“ I'm deeply saddened to hear the news of David's passing. What a
kind-hearted soul he was. I will always remember little David getting
up those big bus stairs as a kindergartener and how sweet he was.
Then seeing him still being that sweet kid in his high school years.
My deepest sympathies to David's family, may he rest in peace.

“ I was David's 5th grade teacher at West Middleton. I have such fond memories of him. He was full of energy and enthusiasm, bright and articulate, and loved to laugh. I am so sorry for your loss. I, too, will miss him greatly as I just recently reconnected with him via email. He sounded so excited about being an architectural student. He will be deeply missed by many.

“ I was David's English teacher his sophomore year, and I appreciated his curiosity and efforts with my subject area. He would stop in for help with his writing, and I remember having really good conversations with him about books and world events. He was a kind, good person, and I am so sorry to hear of his passing.

I was one of David's high school lacrosse coaches. David was always there to help his teammates improve, at the same time he was improving his skills. He was a positive and encouraging teammate. In his short time, David made the world a better place for many people. I pray for him and his family.

Peace,
