

Dennis Van Jay Guffey

June 14, 1947 - July 10, 2020

Dennis Guffey died peacefully on July 10, 2020 following his battle with cancer. He was born in Green Castle, Missouri to Clayton Keith Guffey and Maggie Iona (Cooley) Guffey on June 14, 1947 and grew up in Davenport, Iowa. He graduated from Davenport Central High School in 1965 and attended Iowa Wesleyan College. After graduating from the University of Iowa, Dennis served his country as a General's Aide in the U.S. Army in Korea during the Vietnam War.

He and his former spouse Marcia (Gatton) Guffey raised their daughter Angie in Ankeny, during which time Dennis held various leadership positions with several state government agencies in Des Moines. After retirement from state government, Dennis enjoyed working at Barnes and Noble and especially as a volunteer for the central Iowa Planned Parenthood Book Sale, where he spent countless hours volunteering.

Dennis was an avid reader and runner who ran thousands of miles on the Des Moines area trails over the years, finished Grandma's Marathon in Minnesota, and completed a couple of decades worth of Dam to Dam Races in Des Moines and lots and lots of Bix Races in Davenport. In recent years, Dennis also completed El Camino de Santiago in Spain and a trip to Ireland.

His love of the Iowa Hawkeyes and years of road trips to football games in Iowa City didn't keep him from rooting for UNI, ISU and Drake. He was also a die-hard St. Louis Cardinals fan who still managed to enjoy the Iowa Cubs.

Those who were lucky enough to know Denny, found him to be a loyal friend

who was an exceptional listener, despite his hearing challenges. He made lifelong friends throughout every stage of his life, loved watching/talking sports with those friends and appreciated the arts. However, his favorite activity was spending time with and supporting his grandkids.

Dennis is survived by daughter, Angela (Greg) Luttenegger and grandchildren, Kaylen and Carson Luttenegger all of Ankeny; brother, Gordon (Karen) Guffey and sister, Carol Ney both of Davenport; sister, Debra Young-Guffey of California; along with numerous nieces, nephews and cousins. He is preceded in death by his parents and brother-in-law Ron Ney.

A Celebration of Life will be held at Tower Park (to allow for social distancing) 4900 Hickman Road in Des Moines on Sunday, August 9th at 1:00 pm. A private (due to Covid) Military Burial will take place at the Rock Island Arsenal in the Quad Cities with a public Celebration of Life for any friends and family on Friday, August 14th on the outdoor patio of The Circle Tap in Davenport from 4:00 to 7:00 pm. Memorial contributions may be made to Central Iowa Trail Association, Planned Parenthood Book Sale, Hospice of your choice, or in lieu of memorial contributions please consider going fishing or contacting a friend you haven't seen in a while.

Condolences may be expressed at diamondmemorial.com/obituaries.

“ *Very nice tribute to Dennis today. One of the good guys; a servant leader, fun lover, modest soul. He had to keep the old CETA crowd from getting kicked out of the Ironman Inn twice a year for years. We teased him about reading the big binder of regs to us at every meeting, but he said he knew we'd never read them so... God bless ;you and your family, Dennis.

“ *Dennis was one of the kindest souls I've ever had the privilege to know. His humor and giving nature are true examples of the best qualities in humanity. Every person who knew him was better for it.*

“ *I will never stop loving one of the best friends anyone could ever wish for. I don't think my mourning will ever stop. I, no joke, almost called him two days ago. He stood me up, when I was down, more times than I can count. I am grateful that the last time we talked, we both stated our love, as brothers. I lost a blood brother in 1988, and have not hurt so much since. He found joy in life. I cling to that.*

“ I met Dennis while volunteering at PPH Bookworks. He was always so kind and helpful. He would e mail me when my area was getting overloaded with puzzles. We later found out during conversations that we lived in the same apartment complex, this led to a great conversation about the bats that get into the building during the winter and his encounter with a big bat on the wall!!! RIP Dennis, God bless, you will be missed, !

“ Dennis was an amazing man and strong leader. He was always a joy to talk and laugh with. I will always remember his wonderful smile and open heart. He was one of the best volunteers at bookworks and I learned a lot from him. I will miss seeing him but he will always be in my heart.

“ I first met Dennis in July 2011, when I started to volunteer at Planned Parenthood Bookworks. We got along great right away. Sometimes I would be the first one there at 8am to open, he would usually be the second one in. So we had a good talk for 10 minutes each time. When I was having my knee problems and then after knee and back surgery he was always very concerned for my health. He would send me an email to check up on me, he was a most thoughtful and caring person. I missed his talk about his trip to Spain but I asked him some questions later about it, that was one incredible thing he did. I was most impressed! When I was working he would always come over to say hi, how are you doing, what's going on, etc. I always liked talking with him, he was a deep and thoughtful man. The last time we talked was at Bookworks about the third week of March before closing. We had our usual good conversation. Dennis I will miss you my good friend! I can still hear your voice today. RIP Sir.

“ Dennis was a kind, gentle soul who truly cared about others and will be missed by many. We were colleagues in state government decades ago and friends ever since. I'll miss our occasional lunches and seeing you at PPH Bookworks. Rest In Peace, Dennis. Unfortunately, I will be out of state and miss the Celebration of Dennis' Life at Tower Park. My condolences to Dennis' family. He talked proudly of each of you.

“ Worked with Dennis for a few years at IDEED and ran across him a few times after our state paths diverged. He was a first rate human being in every way and will be missed.

“ I so enjoyed working with Dennis at the Iowa Department of Economic Development, and later seeing him at Barnes & Noble. He truly cared about Iowa and Iowans, and always went the extra mile to help people or to make sure a job was done right. He will be missed.

“ I can't add to what so many people have included. The multitude of kind words are a testament to a life well lived. If all of us could follow in Dennis's footsteps the world would be a better place.

“ Having been given the "privilege" of being grouped with Dennis in golf foursome just before the wedding of Angie to her now husband Greg Luttenegger, it was obvious right away that he was a kind genuine soul. Seeing Dennis swing by the Luttenegger household was always a highlight of many trips to Ankeny.

The more I knew Dennis the more I respected him, but he achieved Legend status last year with his trip to Spain to hike the Camino trail.

He was the type of deep-thinking, big-hearted, gentle spirits that are needed in the world and will be greatly missed.

Our hearts go out to the Guffey and Luttenegger families.

“ *I knew Dennis through the Planned Parenthood Book Sale and Bookworks. His dedication to that cause was intense as he was not a halfway man. He immersed himself thouroughly in what he cared about. Dennis was kind, caring and a master of diplomacy. He always showed concern for someone else rather than talk about himself. How we will soldier on without him seems impossible right now. Rest in peace, my friend.*

“ Denny was a family friend and a man I admired and looked up to. As a kid, I remember his work with the Big Brother/Big Sister organization. When I was a student at UNI, I joined the college branch of Big Bros. because of this influence. When I returned to DSM later in life, I would often run into Denny around town and it was a highlight to see him and catch up about family and life changes. I almost always saw Denny at the big Book Sale. I will always recall fondly his smile and laughter. And, of course, I want to send my love to his daughter Angie who was a great childhood friend.
