“ Gary my best friend ...
Today is April 15 we had your memorial service at Calvary Apostolic Church. You would have been blown away by all the people that showed up. We had bitter cold weather and snow but people braved the elements and came to show respect for you. Lots of family, church family, school friends and several team members from Ankeny Centennial. Even the coach came and spoke. It was totally amazing. Carolyn was very strong and it was a beautiful service. I miss you my friend but had to post this just in memory. Watch over us lol.
Blessed to have known you and to be your best friend. My phone is lost without those texts.

“ Gary and his family lived here in colfax. Our folks use to play rack together. One night we were coming home and met up with a skunk. I'm so sorry for your loss. He was a good guy

“ Gary and Carolyn were both our very best friends. Gary and I spent many hours texting back-and-forth to each other every single day. He was one heck of a good guy and he love the Lord with all his heart. Most people have a few close friends but I have to say Everyone loved it Gary they thought his personality and his gentleness was so wonderful and rightfully so. Gary I will miss you with all my heart I don't even know how to react each day at hearing from you anymore but I know you were with the Lord and that is the most important thing you and Mike will be able to dance in the streets of gold hand-in-hand with the board nothing could be better.
Love your best friend,
