“ *She was such a classy woman. Every day she came to work at the DE, she dressed so beautifully and professionally. I enjoyed the times I got to work with her.*

“ *I remain a friend for sure. Jane and I shared resources at Drake University and at the Department of Education. We promoted workplace learning through cooperative education techniques, managed leadership training, and helped establish community service as a practice in preparing students for high school graduation. Jane was persistent in trying to get things right, did not hesitate to try, and quietly managed life. She brings to mind a poem by Robert Frost: Stopping by Woods on a Snowy Evening." A very peaceful thought in time.*

“ *Jayne has been my friend since we met in the Tri Delta pledge class of 1955. She always seemed to be the perfect lady even then, but there was that mischievous gleam in her eye that let you know she was up for a bit of fun. We connected again at the Department of Education and had more good times on trips and many lunches. I will miss her! She was a wonderful, gentle lady.*

“ Jayne has had an impact on thousands of students, educators that she worked with, improved organizations that she joined and held positions, helped strangers lost and confused when she volunteered at the airport, loved and took care of her dogs and kept dogs until they found a home, was a great travel companion from visiting Iowa schools to traveling to China. Jayne is my dear friend and it is so hard to not be able to talk to her and plan weekends events with her.
Her memories however will live on.

“ Jayne was my supervisor when I worked at the Department of Education. I thoroughly enjoyed working with her. She was the ultimate professional, always with hair styled and nails manicured, and immaculately attired. I always looked up to her and strove to be like her. I left to go back to college, and when I saw her again 30 years later at a colleague's retirement, it was like I'd never been away. Rest in peace, Jayne.

“ Jayne was my dear P.E.O sister and friend. We were initiated into Chapter KD on the same date. We shared emails and texts with poems, quips and humor. She was witty, charming and a fashion statement! What a privilege to know her.

“ Dear Jayne Anne. She was more like a sister than a cousin... Especially to my mom. Jayne attended every family event. So many Weddings, graduations, baby showers, birthdays. Such a thoughtful person. Whenever I had a conversation with her she always made me feel like what I had to say was important and interesting. Always classy. Always perfect. I will miss her so much .
