Those we love don't go away, they walk beside us every day.
Unseen, unheard, but always near, so loved, so missed, so very dear.

A Heart of Gold stopped beating,
Two shining eyes at rest.
God broke our hearts to prove
He only takes The Best.
God knows you had to leave us,
But you did not go alone ~
For part of us went with you,
The day He took you home.
To some you are forgotten,
To others just the past.
But to us who loved and lost you,
Your memory will always last.
