“ *I have two favorite memories. The first one is funny. She was driving and we came to the stop light on Maguire by Taco Bell where she wanted to turn left. She stopped at the red light and then turned. Left. What?! Crazy teenagers. We couldn't stop laughing. After the initial shock.*
My second memory was how sweet she and Mark Curtis we're while dating in high school.
Sweet memories.

“ *Jessie and I used to chat it up late into the night at Country Kitchen in our late teens. We had so much fun discussing serious and absurd. She was a confidant and sweet friend. Sending her family the good thought at this time. Deep peace and love to you all.*
