“ I knew LaDonna when she and Bob and Lisa and Heidi lived in Valley Stream, NY around 1965. They rented an apartment from my parents, Ed & Margaret Franklin. My daughter Laurie was born in 1965 and I moved back home while my husband was in Viet Nam. Happily he returned and we had another daughter in 1970, Danielle. Unfortunately, we lost Laurie in 1991 due to complications from CF. We now live in Chapel Hill, NC. I was hoping to get in touch with LaDonna after I found Heidi and Lisa's Facebook pages. Please accept my condolences. She was a lovely person who adored her two girls.

Betty, I don't know why I hadn't seen this message when Mom passed. I happened upon it today while searching about your Mom and Dad and where the house was in Valley Stream that we lived in. Thank you for your kind words My Mom always spoke very highly of your parents and my sisters and I each still have a piece of artwork he had done which my Mom held so dear. My contact info is hhenn66@gmail.com if you ever need it. :-) Heidi Sommerville Henn

“ To LaDonna's Family-I was so sad to hear about the passing of LaDonna-I am a member of Zion Lutheran Church but was also a co-worker of LaDonna's at ManorCare. She was such an energetic person-you had to really keep moving when you worked in the kitchen and she could keep up with the young ones without any problem. She always had a minute to stop and say hello when I would see her outside of work- Take comfort in your faith and know that her memory will live on forever in your hearts. Sending prayers and wishing your family comfort in the days ahead- Michelle Heyd 1114 S Lawson St Aberdeen, SD 57401
