“ I worked with Lou for years, first at Apache Camper then at AC Nelsen. I knew Karin and Lou before BethAnn was even a sparkle in Lou's eye. Lou was sooo excited to be a dad and was just as elated to become Karin's husband and BethAnn you were so adorable at your folks wedding...at one of the most beautiful churches in Omaha. Then the icing on Lou's cake was you Anthony, when he had a son it completed everything in his life that he held closest to his heart....Karin, BethAnn, and Anthony...and he shared stories of all three of you all the time. Lou was one of the kindest, most helpful, and straight-forward and honest individuals I will ever know!!! Mom, Clyde, and I (who were all at Lou & Karin's wedding, along with dad who was welcoming them into heaven👼) were beyond devastated when we heard of the accident. They both had a true zest for life and transitioned to the next level (we'll all be at that doorstep eventually) doing EXACTLY what they had a passion for!!! And know that we will all be reunited again at the great reunion at the great beyond, and what a joyful day that will be!!! Bless you BethAnn and Anthony and all the family and know that Lou and Karin will be in our hearts and minds and thoughts ...until we meet again!!!

With all our love in Jesus' Holy & Precious Name, Jeff & Clyde (and Mom too)❤️❤️❤️
