“ *"MY COUSIN LOUISE FROM IOWA" as I remember we all called her. She would always drive down to any family event. Louise had a huge beautiful contagious smile for everyone and a big hug. She will be missed by all who knew her.*

“ *Her smile,could brighten your day. After working at qwest, (i did to) she worked in the office at Christ the King. My grandkids went to school there. I remember the first time I walked in there cause my grandson was in trouble. It was a fun surprise. The kids knew she was a friend of mine and it was comforting to know she always knew where they were. God Bless you Louise*
