“ I heard of the horrific news last night of Melissa's passing. Melissa and I went to high school together...*"the good old days"*. The thing I remember most about her is how much fun she was and she always had a smile on her face that would light up any room. To her family, may your heart and soul find peace and comfort. Jamey and I also went to school together...Jamey, I want to say to you that I am sorry for the loss of your sister. Remember that flowers seem to grow out of dark moments and when you lose someone you love, you gain an angel you know.

“ *Growing up with Melissa was always an adventure!!! I always looked up to her!! She was 5 years older than me and was so cool!! I remember driving around with her when she first got her license thinking how I couldn't wait to be just like her!!! When one as in high school she was always there to listen to my problems or help me get into a little trouble :) as we grew up and had families of our own we didn't see much of each other but anytime I needed a babysitter she would help if she could!!! She is truly missed and was taken too soon!!! Love you cuz!!!! 🐷*

“ *Melissa was my friend and sister-in-law for 11 years. There are so many memories of time spent visiting, raising kids, hanging out and family holidays. I was there when she found out she was expecting Julie and she made phone calls to share the news! She babysat AJ for a year when we first had him love with us. She gave Jamey and I a lot of support with AJ and was a rock and there when Jamey had a lot of medical situations. She had a wonderful laugh and smile.*
