Mike F. McClelland

July 6, 1956 – July 1, 2022

Mike, born in Corning, IA to Elizabeth & Arthur McClelland passed to heaven on Friday, July 1st in Aubrey, TX after a long and very brave fight against kidney disease.

Passing before Mike were his grandparents Earl & Grace McClelland, Mother and Father Elizabeth and Arthur McClelland, Sister Catherine Grace McClelland and many beloved Aunts, Uncles, and close friends.

Mike is survived by his wife and soulmate, Jacquie Harvey; children Matthew McClelland, Scott McClelland, Kevin McClelland (Katie Moses), Elizabeth Kenny Hastings (Steve) and Michael Kenny; and three grandchildren, Jack, Carsen and Dani Hastings. He is also survived by his brother, Patrick McClelland (Terri); former wife, Kay McClelland, and sister Laurie O'Farrell and family, along with many loving Cousins, Friends and Family who helped Mike celebrate his life prior to passing; and we thank you all.

Mike proudly served in the Army, graduated from Drake University in Des Moines, IA and spent 35 years in the Financial Industry helping clients and making dear lifelong friends.

Mike is not defined by his career – but by that of a Loving Husband, Father, Brother and Friend. He was a Teacher of Life (in the oddest of ways), with the distinction of telling some of the longest stories known to all who knew and loved him. For sure, he is now telling his life story to all those who were waiting for him . . . on the course and off.

Long & Straight, Mike, in Stories and Golf. That's our Hero.

Celebration of Life Service for Mike will be at 1 PM Saturday, July 30, 2022 at the Jester Park Lodge 11407 NW Jester Park Dr., Granger, Iowa.

We also want to thank Mike's Hospice Team who were literally Godsent Angels holding our hands throughout this difficult time. Special thanks to Ashton, Lanita & Courtney ... Mike absolutely loved you!

In lieu of flowers, Family suggests donations to: Tunnels to Towers Foundation and Boys Town.

My Hero (Mike) served his country in the Military, My Hero (Mike) donated his body to research, My Hero (Mike) the glass was always full or half full, never half empty! Many, many stories and adventures in life could be shared!! This is NOT good-bye, this is I will see you again someday! Have the Court time and tee time booked. I will bring the Johnny Walker and the cigars!! You lived your life thinking of others first!! “ *I met Mike when we played on the Drake golf team. After only knowing me for a few months he gladly let me stay at his apartment on Battleburo street for a few weeks before a dorm opened up. That was just a beginning of a special friendship. I loved that guy and every one of those stories he told.*

I met Mike at the Standard selling Retirement services. That broadened into a friendship sharing live music, BBQ & libations in Austin. Jacqui was a welcome addition to visits in Wheaton. Getting a word in with Mike & my efforts to share stories, jokes & memories took patience.....Thanks Jacqui. We'll miss Mike- John & Carol

this may be a perfect picture to remember him. I always like him, was fun to be around. There was more laughter at our McManimen family vacation in Ocean City because of him. ❤️
