“ I miss you every single day grandpa. I hope I make you proud, I always say to myself, what would papa do. I'll see you in the next life and can't wait to go to another baseball game with you. I may feel sad you are gonebut its because our time together was so meaningful. In my mind youve never been gone. You're the greatest man I'll ever know. I miss you so so much papa. Nothing could be as strong as you.

I so enjoyed Myron's visits to the office. He was always in good spirits and ready for a good laugh. Steve and I think of you often Judy. Our deepest sympathy to you and your family at this time. May God's grace be with you. You will be in our prayers.
