“ Our thoughts and prayers go out to the family at this very difficult time. Nancy was by far, my favorite Aunt. I will always remember my Aunt Nancy for her humor and especially her amazing talents with the accordion. She will be greatly missed as her memories that she gave to me will always be cherished.

I know this is a public forum for anyone. I wanted to put out there that I understand everything you said about kids. I know you did an amazing job of raising us 4 kids. Although we may not always get along with one another, I try. I get my optimism from you without the worry over the weather. I treat people like I want to be treated. I always talk to strangers, just like you did. I was so embarrassed by this when you did it. My son, rolls his eyes and does the same thing when I talk with a stranger. It is so funny. I have your sense of humor and your perseverance in striving to be better. Thank you Mom. Love, your daughter- Kelly
