“ Steve i'm so very sorry for what you and Becky's family are going through. I can't imagine the heartache that all of you are all dealing with. Becky was a beautiful person and was taken from all of us way to early. I know that she is now with God and that she is at peace. Take comfort in knowing that she is looking down on all of you and loves every single one of you family and friends. She will be so missed but not forgotten. Becky we will all meet you again sometime in the future. Love You.
