“ Hello, I was sorry to learn of Roger's passing yesterday during the class of 60, 61 and 62 class reunion get together in Guthrie Center. Roger was one of the class mates I always liked chatting with at these gatherings. I think I may have met him once at a mail dock when I unloaded mail. I was a mail carrier for the USPS.

“ I first met Roger when I started with the Postal Service in Nevada. Roger had the Ames-Nevada star route. I was fortunate to work with Roger off and on throughout my career. Roger was one of the very best. We need more people like Roger in this world.

Indescribably heartbroken and saddened to hear of Roger's passing. There are few people on this earth that I've loved more than this man. He was so many things to me. Neighbor, employer, drinking buddy. Well over 50 years of friendship. There very, very few people of his caliber. Rest In Peace and Maintain my dear friend.
