March 24, 2021

Sean Michael Kelly was born March 27, 1996 to Kymberly Traczyk and Kevin Kelly.

He passed away, peacefully on March 24, 2021 from complications, due to a genetic liver disorder.

Sean was a loving brother to sisters Erin and Megan Kelly, and brother Brian Smith-Kelly.

Sean loved music of all kinds, animals of all kind, and kids. He loved the outdoors and making people laugh. Sean was a friend to anyone who needed a kind ear, hug or a snack. He always was there when someone needed him.

Sean was funny and he loved when he was able to make someone laugh, and there wasn't much he wouldn't do to make that happen. He lived his life exactly how he meant to and left this world without pain or fear.

He is survived by his parents, Kevin Kelly and Kymberly Traczyk; his siblings, Erin Kelly, Megan Kelly and Brian Smith-Kelly; his loving grandparents, Linda and Denny Gass; aunts and uncles, Shannon and Steve Vilmain, Eric and Kim Traczyk, Mike Gass and Brian Kelly; the cousins he adored, Sarah and Holly Traczyk, Blake Vilmain, Auggie Allen, Melissa and Anna Gass.

He is also survived by many friends who loved him.

Sean was always kind and mindful of what others were going through.

Memorial Contributions may be made to NAMI of Iowa, 3839 Merle Hay Road #229, Des Moines, Iowa in loving memory of Sean. He will be missed and remembered fondly by all who had the good fortune to know him and to love him.

“ *Kymerly and family - I am so sorry and heartbroken to hear about Sean.*

Bob, Jaclyn, and I and especially Calvin have such great memories of the younger years. From school, sports and most of all our time with Sean in scouting. Right now I am picturing one of the many times Sean stayed out our house and the boys made homemade pizza with pepperoni faces. He always made me laugh, he and Calvin together were so much fun. Sending you lots of hugs and prayers. All my love, Lori Knuth and family.
