

Sheldon Lee

September 14, 1929 - June 3, 2021

Sheldon Lee was born September 14, 1929, to Oliva (Tesda) and Paul Lee in Elkhart, Iowa. He graduated from Huxley High School in 1948. He passed away June 3, 2021, in Madrid, Iowa.

He served in the United States Air Force during the Korean conflict from 1951 until his honorable discharge in 1955. While serving he told me his mom sent him a letter almost every day while he was gone for the four years.

When he returned from overseas, he moved to Huxley to help his dad farm. Together they raised crops, bred, and raised milking shorthorn cattle, hogs, and chickens. He loved animals, and his sister reported that he would lay down and take a nap with his pony, Spot. He always had a stray dog he took in and fed and raised an army of feral cats with the cow milk in the barn.

He was a sportsman and loved to go pheasant and quail hunting with his buddies. He especially loved to fish and fished in almost every state in the United States.

He is survived by his nieces, Sheila Heaberlin and Sherry Hutchins, great nephews, Joe and Willie Heaberlin, and great great nephews, Tanner and Darin Heaberlin.

Funeral service for Sheldon will be 11am, Monday, June 14, 2021, at the Fjeldberg Lutheran Church, 209 N 2nd Ave. Huxley, Iowa 50124. Friends may visit with family one hour prior to services at the church. Burial will be 9:30am, Tuesday, June 15, 2021, at the Iowa Veterans Cemetery in Adel, Iowa.

Memorial contributions may be made to the Fjeldberg Lutheran Church, 209 N 2nd Ave. Huxley, Iowa 50124.

We will all remember Shel for his kindness, generosity, and his infectious laugh.
