“ I just learned of Shirley’s passing. She has been in my thoughts for years, because I lost contact with her after she moved. I was her administrative assistant at Westbridge Assisted Living for 7 years. We developed a close friendship & great working relationship. She was absolutely the best boss I’d ever worked with. I hope you, her family, sees my tribute. She is not forgotten here in Wheaton.

Its been so many year since I worked with Shirley in Wheaton. She was a wonderful person and an incredible boss.. She would bake your special cake for your birthday, worry if you were sick and bring Missy to work with her to put a smile on your face. Her kindness was missed greatly when she retired. The world lost a great lady. But you know that. Her soul made it a better world.
