“ Steven was my half brother (we both had same Mother). I grew up with him living with us in Raytown, MO prior to Steve going into the Navy. I saw him throughout the years and he even walked me down the Isle of my Wedding March 1, 1986. I loved my brother and was sadden to read about his death. He was a man who was always willing to help others and he enjoyed Life. Rest in Peace my dear brother.
