“ I was made aware of Wayne's illness, when right after one of his chemo sessions he attended my brothers funeral. He would often visit Leo and I, before he became ill, and we remained friendly. I would like to extend my sincere sympathy to his entire family. I wish you all the very best. I have also sent a few photos of Wayne in the 1970's.

“ One of the memories I have with BuddyWayne was at Aunt Nancy’s home in Des Moines & my older brothers John & Bill & BuddyWayne playing frisbee in the front yard. That was so much fun back then. I couldn’t play because I was too young & they would of trampled me. I will miss you my dear cousin BuddyWayne & will always love you. That was his nickname growing up.
